

Wow...where to start for the Travelodge...

I cannot say enough good things about the Travelodge, we had our wedding reception there, but it was so much more than that. The weekend of May 15th, the Travelodge was taken over by my husband and my friends and family. We had our reception there so it only made the most sense to have everyone stay there.

From the outside the hotel may look like every other hotel, but once you get inside, you feel like you are in a whole new world! I cannot tell you how many of our guests told us how impressed they were with everything. The room sizes were huge, the beds were SUPER comfortable, the staff were all friendly and helpful, the food was FANTASTIC!

One of my personal favourites would definitely be the pool area. It was so nice to sit around the pool with my family members and chat. It is beautiful and relaxing in there and it was awesome!

As for the wedding reception - to the naked eye the room we had it in may not look very fancy to have a wedding reception in there; however, once you get the chair covers and the room decorated, it truly became a magical place. The serving staff were fantastic and the meal was incredible!! I am a picky eater, but I must say the food we chose, the chicken Kiev, chef's mixture for the vegetables, baked potato and Greek salad to start were phenomenal!! The portions were huge, the food was hot and above all, it was delicious!! I had so many compliments on the food, some even saying it was the best meal they'd ever had at a wedding. The plates were cleared in a timely fashion and the cake was brought out, so the magic continued into the evening. The staff were incredibly helpful when it came to a soiled tablecloth, and hey...they even got up and danced with us!!

This day will always be the happiest day of my husbands and mine and we couldn't have had this experience without the help of everyone at the Travelodge. For that I want to thank them so much!!! A special thanks goes out to the Catering Manager Brenda. If I ever needed anything, she was there, if I had a question...she was there. You get the picture. She made sure to look after anything and everything just so our day was a stress free happy day, and boy did she ever. She solved any problem I had, and I did have a few, but the way she got things done was just amazing. The best part about Brenda is that she ALWAYS has a smile on her face...she just makes everything right. :)

Thank you to everyone who participated in making our day such a perfect day!
Thank you! Thank you! Thank you!!

I am a very grateful bride and would recommend the Travelodge to ANYONE!!
